

2010-11

Based on 16 Internship Programmes

Table 1: Psychologists in training programme	Mean N or %	Median N	Range % (N at start)
Total number of psychologists in training programme	21.3	16.0	7.0–73.0
Registered staff members	20.8 or 98%	15.5	87% - 100%
Staff graduates of accredited training programmes (doctoral/internship)	16.2 or 76%	12.0	25% - 100%

Table 2: Number of psychologists involved in professional activities	Mean N or %	Median N	Range % (N at end)
Members in professional associations			
Male	7.3 or 95%	5.0	67%–100%
Female	15.3 or 98%	11.0	73%–100%
Authors/co-authors of papers presented			
Male	3.4 or 44%	3.0	0%–100%
Female	6.4 or 40%	6.0	0%–100%
Authors/co-authors of articles in journals			
Male	2.7 or 35%	2.5	0%–100%
Female	5.2 or 33%	4.0	0%–100%
Recipient of grants or contracts			
Male	1.6 or 20%	1.5	0%–67%
Female	2.9 or 18%	2.5	0%–63%
Leadership in professional associations			
Male	1.9 or 24%	2.0	0%–67%
Female	2.7 or 17%	2.0	0%–67%
Total number of psychologists in training programme			
Male	7.7 or 33%	5.0	3.0–31.0 or 12%–67%
Female	15.7 or 67%	11.0	3.0–43.0 or 33%–88%

Table 3: Other contributors to programme	Mean N	Median N	Range N
Total number of other contributors to programme	11.7	8.0	1–38

Table 4: Interns	Mean N or Hours	Median N or Hours	Range N or Hours
Number of interns – current year	3.8	3.0	1.5–12
Number of completed practica hours	1271.2	1040.2	600–2235
Number of interns – next year	3.9	3.0	2–12
Number of completed practica hours	1351.8	1153.8	600–2629
