

FORENSIC CLINICAL PSYCHOLOGISTS

University of Manitoba & Winnipeg Regional Health Authority

The Department of Clinical Health Psychology in the Faculty of Medicine, University of Manitoba, in collaboration with the Winnipeg Regional Health Authority (WRHA) invites applications for two Contingent Geographic Full-Time Forensic Clinical Psychologists at the Assistant Professor level (positions # 1423 and # 1424), commencing June 1, 2013 or as soon as possible thereafter. The successful applicants will join a multi-disciplinary team providing a full range of forensic mental health assessments and treatment for forensic inpatients and outpatients. The position will be based at the Health Sciences Centre in Winnipeg.

Position Responsibilities:

- Forensic Psychological assessments as part of a Forensic Mental Health Team
- Psychological treatments for both forensic inpatients and outpatients.
- Psychological consultation to other health professionals.
- Clinical research and programme evaluation.
- Supervision of Psychology Residents in our CPA accredited Psychology Residency training programme
- Participation in teaching of medical students, residents and students in other health professions.

Qualifications:

- Doctoral degree (PhD or PsyD) in Clinical Psychology from a CPA accredited training programme, and completion of a CPA accredited Internship / Residency.
- Specialized education, training and experience in Forensic Psychology.
- Eligibility for registration as a Psychologist by the Psychological Association of Manitoba (the Clinical Health Psychology programme of the WRHA will provide the required pre-registration supervision for individuals at the C. Psych. Candidate level).
- Satisfactory results of pre-employment criminal records and child abuse registry checks.
- Education and experience in administration and interpretation of standard adult psychological tests and measures in a forensic context.
- Experience with evidence-based psychological treatments.
- Excellent interpersonal, communication, and inter-professional teamwork skills.
- Training, experience, and/or research background and interests in Aboriginal health issues would be an asset.

Salary and Benefits:

- Competitive Salary
- Attractive Benefits Package is available through the University of Manitoba.
- Academic Rank will be commensurate with experience.
- The GFT agreement provides for on-site private practice opportunities.
