Clinical Psychologist II & III

Various Permanent & Temporary, Part –Time & Full – Time positions available

Eastern Health is the largest integrated health organization in Newfoundland and Labrador, serving a regional population of more than 290,000. The organization offers unique provincial programs and services. We employ over 12,000 health care and support services professionals. Formed on April 1, 2005 from the merger of seven health care boards, Eastern Health offers the full continuum of health care services with more than 80 hospitals, health care centers, long-term care facilities and community care sites.

Eastern Health currently employs 55 full time and part-time psychologists who provide services to children, adolescents, adults and seniors while in hospital (inpatients) or within the community (outpatients) or within long term care (residents). Services include assessment, therapy and consultation.

Psychology services are provided across multiple programs within Eastern Health including Mental Health, Child and Women's Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive services within the St. John's region and in mental health services in rural areas including Burin, Clarenville and Harbour Grace.

Qualifications:

For all Psychology positions, a Master's in Clinical Psychology is required, Ph.D or Psy.D preferred. Registration or provisional registration with the Newfoundland and Labrador Psychology Board is required. Individuals who are eligible for registration will be considered.

**Successful applicants may also qualify for sign on bonuses, bursaries and relocation expenses.
