

# 3rd Annual ADHD Research Day

*From Cutting-Edge Neuroscience Research to  
Evidence-Based Clinical Practice and Policies*

October 14, 2016  
Ottawa Marriott Hotel

## Call for Abstracts

Submission Deadlines for Oral Presentations: 15 April, 2016

Submission Deadlines for Poster Presentations: May 1, 2016

Information: [conference.caddra.ca](http://conference.caddra.ca)

The Canadian ADHD Research Network and CADDRA invite you to submit an abstract for the 2016 ADHD Research Day in Ottawa, Ontario, Canada.

## Types of presentations

### Why submit?

The meeting will bring together researchers, clinicians and students from a wide variety of disciplines across Canada to share knowledge, discuss innovative research findings and develop new collaborative research projects in ADHD.

### Who can submit?

We invite oral presentation submissions from **Canadian-based** multidisciplinary researchers, clinicians and students only, but poster submissions are open to **national and international delegates**. **All presenters must register for the meeting.**

### How to submit?

All submissions should be made online at [conference.caddra.ca](http://conference.caddra.ca).

Further information/questions: [carina.smith@caddra.ca](mailto:carina.smith@caddra.ca)
