Budget is in line. Due to a generous amount of money given to the student section for the student social, some money will be forwarded on to next year's budget.

1316 Student section memberships – watch for student surveys so that the executive can gain more insight into our membership.

MindPad – exciting initiative that is a newsletter written by students, for students. Hope to launch this fall.

Campus representative campaign is still on-going (see website). Encourage faculty reps to help.

CPA is interested in how they can make membership more attractive to students – send ideas to Brenden Sommerhalder.
