

John A. Higenbottam, PhD

Chair, CAMIMH

Dear Dr. Higenbottam – thank you very much for your inquiry, on behalf of the Canadian Alliance on Mental Illness and Mental Health (CAMIMH), regarding the policy program the Conservative Party of Canada has put forward for consideration by Canadians. That policy program is contained in our party's platform, "Here for Canada – Stephen Harper's Low-Tax Plan for Jobs and Economic Growth". I have attached a copy, in both official languages. Of particular interest will be our support for Brain Canada's efforts to develop new diagnostics, treatments and cures for brain disorders (outlined on page 14) and our support for Caregivers (outlined on page 27), both of which reference initiatives that were contained in our Budget 2011 (available on the Finance Canada website). Please feel free to circulate our platform to your members. Thank you again for your inquiry.

Yours Truly,

Fred DeLorey
Director of Communications
