Clinical Pathways: Different Roads to Becoming a Clinical Psychologist

Online Workshop
April 22, 2022
1:00 pm EST

Presented by

Dr. Saeid Chavoshi, PhD, Clinical Psychologist

Learn about different Clinical Psychology Pathways from a panel of seven clinical psychologists with diverse specialties, and find out what it takes to be an outstanding applicant!

The panel will provide you with a taste of the different pathways and specializations in graduate clinical psychology, such as Forensic, Neuropsychology, Health, Child/Adult Clinical, Counselling Psychology, as well as PsyD pathways. You will also have a chance to ask questions.
