The Canadian Psychological Association's (CPA's) 81st Annual National Convention is going virtual!

The Canadian Psychological Association's (CPA's) 81st Annual National Convention is going virtual!

The impacts of COVID-19 are wide-reaching, impacting all aspects of life as we know it. In light of COVID-19, the CPA made the decision to transition its annual 2020 in-person convention to a virtual series offered over the months of July and August. From here you will be able to upload your presentation if you have chosen to participate in our virtual series and/or submit an abstract in response to our special call for COVID-19 submissions.

SPECIAL CALL FOR COVID-19 RELATED SUBMISSIONS

The CPA is committed to knowledge exchange and community for all its members and affiliates. To that end, the virtual series will feature hundreds of submissions from individuals accepted to present at the CPA's in-person convention. It will also feature a specialized stream devoted to COVID-19 and pandemics.

We are re-opening and accepting new submissions, specific only to COVID-19 and pandemic-related presentations at the CPA's virtual series in August. Submissions unrelated COVID-19 or pandemics will not be accepted.

You may submit to virtually present a poster, Gimme 5, 12-minute spoken presentation, 25-minute review session, or 55-minute symposium (comprised of at least 2 presentations).

We will be accepting submissions until June 26th. All submissions will undergo a rapid peer review. Acceptance notices will go out by July 10th.

For more information, contact the CPA's Convention Program Manager, Kathy Lachapelle-Pétrin at convention@cpa.ca.

Step 2:

- Click the 'Gear icon' button for the specific session you are uploading (if you have multiple presentations, please ensure you have selected the correct Abstract & gear icon).
- Select 'Upload Presentation' in the dropdown menu.

The screenshot shows the MyAbstract dashboard for the user HELLO KLP LACHAPELLE. The dashboard includes a navigation menu on the left with options: Dashboard, I am an Author, I am a Session Reviewer/Coordinator, and Additional. The main content area displays a message about the CPA's 81st Annual National Convention going virtual. Below this, a table lists accepted submissions. The table has columns for Submission ID, Program Stream, Type of Presentation, Title, and Action. A dropdown menu is open for the 'Action' column of the first submission (ID 53955), showing options: View / Edit, View Abstract Submission Summary, Download, and Upload Presentation. Two blue arrows point to the gear icon and the 'Upload Presentation' option.

Step 3:

NOTE: THIS UPLOAD WILL ONLY ACCEPT PDFs OR MP4 FILES – OTHER FILE TYPES ARE NOT ACCEPTED. YOU MAY UPLOAD MULTIPLE FILES AT THE SAME TIME (IF FILES ARE 750MB OR GREATER, WE RECOMMEND YOU UPLOAD THESE ONE AT A TIME).

IMPORTANT – YOU CANNOT CLOSE THIS WINDOW WHILE YOUR PRESENTATION IS UPLOADING. IF YOU CLOSE THE WINDOW, THE UPLOAD WILL BE CANCELLED.

-Either drag and drop your presentation into the 'File Upload' window or click inside the window and browse your computer to your presentation. You can upload multiple files at once.

-You will see a progress bar as your presentation uploads.

The screenshot shows the 'PRESENTATION UPLOAD' interface. On the left is a navigation menu with buttons: 'Dashboard', 'I am an Author', 'Submit Abstract', 'View My Abstracts', 'Presentation Upload', 'I am a Session Reviewer/Coordinator', and 'Additional'. The main content area displays submission details: Submission ID 53955, Program Stream 'COVID-19 and Pandemics', Type of Presentation 'Conversation Session / Discussion Forum (25 minutes)', and Title 'This is for testing only'. A large grey box contains a file upload progress indicator for 'GMT20200610-Systems_1920.mp4' (0.3 GiB), with a green progress bar and a blue arrow pointing to it. Below this is the 'Current File List' section, which currently shows 'No files'.

-When your presentation is done uploading, you will see a green checkmark and the file you just uploaded will be listed under the 'Current File List'.

This screenshot shows the same 'PRESENTATION UPLOAD' interface after the upload is complete. The progress indicator for 'GMT20200610-Systems_1920.mp4' (0.3 GiB) now has a green checkmark in the top right corner and a blue arrow pointing to it. The 'Current File List' section now contains one entry: 'GMT20200610-165405_DE-Systems_1920x1080.mp4 - 2020-06-11 at 16:28:30 - x', with a blue arrow pointing to the file name.

PLEASE NOTE: If your file is larger than 750MB, it may take a long time to upload, especially if you have a slow internet connection. The document portal does not restrict upload speed, so any latency is a result of your upload / bandwidth restrictions.

Step 4:

That's it, you're done! If you'd like to see what files are uploaded, go back to the 'Presentation Upload' option in the main menu and check under 'Current File List'. If you'd like to delete any presentation, click the X to the right of the file name under 'Current File List'.

 - Ensure you keep the upload window open while the file is being uploaded, if you close this window, the upload will cancel.
 - Ensure you are uploading from a solid internet connection (a weak internet connection may prevent you from uploading your presentation).
 - Check to make sure your file is less than 750mb. if your file is larger than 750mb – make sure you are only uploading one file at a time to ease the bandwidth draw and be prepared to wait while the file uploads (depending on the speed of YOUR internet connection).
 - If you continue to have problems, please contact us at convention@cpa.ca.
