A MESSAGE FROM PREMIER DOUG FORD

Warm greetings to everyone taking part in the 84th Annual National Convention of the Canadian Psychological Association (CPA).

Mental health is a vital part of our overall health and well-being. I’m so grateful for the contributions of psychologists and other mental health professionals. Your skills and knowledge have helped countless Ontarians lead healthier, more fulfilling lives.

This event is an opportunity to update your knowledge with new and vital medical information, share best practices, and network with your colleagues. I thank the CPA for hosting this convention and commend its members for their commitment to promoting the highest standards of mental health care.

Best wishes for a productive and inspiring convention.

Doug Ford
