WELCOME

TO THE CPA'S 86TH ANNUAL GENERAL MEETING AND NATIONAL CONVENTION!

One of the most exciting times of the year for the Canadian Psychological Association is our Annual Convention. This is a time for those involved in psychology in Canada to come together, learn from each other, envision future projects, and forge new and deepen existing relationships. That we get to do so in beautiful locations across the country each year makes it extra special. St. John's, in beautiful Newfoundland and Labrador, is a wonderful setting for the events of the next several days.

With a full day of pre-convention events and three days of convention programming that spans 34 subject matter areas and multiple presentation types, the CPA's Convention features incredible breadth and depth of psychological information. We hope that you will enjoy the many presentations, exhibits, and opportunities to socialize and network.

One of my favourite experiences at a CPA Convention is meeting and learning from students, some of whom may be attending their first CPA Convention, or even their very first convention. To all of our attendees, whether you are attending and/or presenting for the first time or you have attended many CPA conventions, welcome. And if you see me or any of the CPA Board of Directors over the next few days, please come say hello. We are delighted that you are here.

I would like to thank the phenomenal members of CPA's Convention Committee whose thoughtful planning and dedicated efforts have made this convention possible, as well as the incredible plenary speakers, section featured speakers, and all presenters, exhibitors, and sponsors. I would also like to thank our Section Chairs, Review Coordinators, and Reviewers for their expertise and efforts in ensuring an exciting scientific program. Thank you to each of our committee chairs and committee members at the CPA who volunteer their time throughout the year. And, thank you to each and every one of our members.

Finally, a very special thank you to the staff at CPA's Head Office for their dedication and expertise throughout the year as well as during this special time when we all come together.

May you have a wonderful time learning, sharing, and exploring over the next few days in beautiful St. John's!

Warmly,

Dr. Anita Gupta, Ph.D., R.Psych, C.Psych.
CPA President (2024-2025)

BIENVENUE

BIENVENUE À LA 86^E ASSEMBLÉE GÉNÉRALE ANNUELLE ET AU 86^E CONGRÈS NATIONAL ANNUEL DE LA SCP!

L'un des moments les plus excitants de l'année pour la Société canadienne de psychologie est son congrès annuel. C'est l'occasion pour les acteurs de la psychologie au Canada de se réunir, d'apprendre les uns des autres, de réfléchir à des projets futurs, de développer de nouvelles relations et d'approfondir celles qui existent déjà. Le fait que nous ayons la possibilité de le faire chaque année à des endroits magnifiques partout au pays rend la chose encore plus exceptionnelle. La ville de St. John's, dans la magnifique province de Terre-Neuve-et-Labrador, est le cadre idéal pour les événements qui vont se dérouler dans les prochains jours.

Précédé par une journée complète d'événements précongrès, le congrès propose, pendant trois jours, une programmation couvrant 34 domaines, ainsi que plusieurs types de présentations, qui mettent en évidence toute la richesse et toute la profondeur du savoir en psychologie. Nous espérons que vous profiterez des nombreuses communications, des expositions et des occasions de réseauter et de socialiser que l'événement vous offrira.

Ce qui me plaît le plus lors des congrès de la SCP, c'est de rencontrer des étudiants et d'apprendre à leur contact, certains d'entre eux participant à leur premier congrès de la SCP, voire à leur tout premier congrès. À tous les participants, qu'ils assistent et/ou présentent une communication pour la première fois ou qu'ils aient déjà participé à plusieurs congrès de la SCP, je souhaite la bienvenue. Et si vous me croisez ou si vous croisez un membre du conseil d'administration de la SCP au cours des prochains jours, n'hésitez pas à venir me saluer. Nous sommes ravis que vous soyez là.

J'aimerais remercier les membres extraordinaires du Comité du congrès de la SCP dont le travail de planification réfléchi et les efforts dévoués ont rendu ce congrès possible, ainsi que les remarquables conférenciers pléniers et conférenciers invités par les sections, et tous les intervenants, exposants et commanditaires. J'aimerais également remercier les présidents de section, les coordonnateurs de l'évaluation des résumés et les évaluateurs des résumés. Grâce à leur expertise et à leurs efforts, nous sommes en mesure de vous proposer un programme scientifique passionnant. Merci à tous les présidents et à tous les membres des comités, qui donnent de leur temps tout au long de l'année. Et merci à chacun de nos membres.

Enfin, je tiens à remercier tout particulièrement le personnel du siège social de la SCP pour son dévouement et son expertise tout au long de l'année, et pendant cette période très spéciale où nous sommes tous réunis.

J'espère que vous passerez un excellent moment d'apprentissage, de partage et de découverte au cours des prochains jours dans la belle ville de St. John's!

Chaleureusement,

Dre Anita Gupta, Ph. D., psychologue agréée, C.Psych.
Présidente de la SCP (2024-2025)

St. John's is home to a rich, diverse, and vibrant urban Indigenous community.

Located on the ancestral and uncaded territory of the Beothuk, the lands and waters in and around the City have traditionally served as a gathering place for the Mi'kmaq. The broader region of Newfoundland and Labrador continues to be home to diverse Indigenous Peoples, including First Nations, Inuit, and Métis. We honour and pay respect to the past, present, and future caretakers of these territories.

St. John's abrite une communauté autochtone urbaine riche, diversifiée et dynamique.

Situées sur le territoire ancestral et non cédé des Béothuks, les terres et les eaux de la ville et de ses environs ont traditionnellement servi de lieu de rassemblement pour les Micmacs. La grande région de Terre-Neuve-et-Labrador continue d'abriter divers peuples autochtones, y compris les Premières Nations, les Inuits et les Métis. Nous honorons et respectons les gardiens passés, présents et futurs de ces territoires.
