BIENVENUE À LA 87^e ASSEMBLÉE GÉNÉRALE ANNUELLE ET AU CONGRÈS NATIONAL ANNUEL DE LA SCP!

Bienvenue à Montréal! Je suis ravi de pouvoir vous accueillir tous à la 87^e assemblée générale annuelle et au congrès national de la SCP, qui se tiennent à Montréal.

L'AGA et le congrès national de la SCP sont pour moi des temps forts de l'année. Des gens de partout au Canada (et d'ailleurs) se joindront à nous à Montréal pour apprendre les uns des autres et réfléchir à de nouveaux projets. J'ai toujours aimé pouvoir me retrouver avec des collègues, des étudiants et d'anciens étudiants, car cela nous donne l'occasion de présenter nos recherches et d'en discuter, d'imaginer « le prochain grand projet » et de participer aux nombreux événements et activités qui sont au programme du congrès. Manifestement, je ne suis pas le seul!

Cette année a un caractère tout particulier pour moi, car c'est à Montréal que je suis né et que j'ai grandi. Prenez le temps d'explorer cette ville magnifique et de visiter autant de sites que possible, comme le Vieux-Montréal, le Vieux-Port, le Jardin botanique et la Grande Roue. Tous ces endroits sont facilement accessibles grâce à l'excellent réseau de transport en commun de Montréal. Bien sûr, le site et l'hôtel du congrès sont situés à proximité de nombreux restaurants exceptionnels, et je vous encourage à en essayer le plus possible.

Précédé par une journée complète d'ateliers précongrès, le congrès propose pendant trois jours plusieurs types de communications, ainsi que des séances couvrant 34 domaines thématiques et présentant un éventail vaste et approfondi de tout ce qui se fait sur le plan de la recherche, de la formation et de la pratique en psychologie.

Nous espérons que vous profiterez des nombreuses présentations, du salon des exposants et des occasions de socialiser et de réseauter que vous offrira le congrès. Pour ma part, la possibilité de renouer avec d'anciens collègues et étudiants est un élément du congrès de la SCP que je trouve vraiment agréable. J'espère que vous aurez tous l'occasion de faire de même. N'oubliez pas non plus d'assister à l'assemblée générale annuelle de la SCP, au cours de laquelle nous passerons en revue les activités réalisées au cours de l'année écoulée, présenterons notre situation financière et procéderons à l'intronisation de notre nouveau président.

Je tiens à remercier les membres dévoués du Comité du congrès de la SCP, dont la planification minutieuse et les efforts assidus ont rendu possible la tenue de ce congrès, ainsi que les conférenciers pléniers, les conférenciers invités par les sections, et tous les intervenants, exposants et commanditaires. Je tiens également à remercier les présidents de section, les coordonnateurs de l'évaluation et les évaluateurs qui, grâce à leur expertise et à leurs efforts, ont permis d'élaborer un programme scientifique exceptionnel. Enfin, un merci tout particulier au personnel du siège social de la SCP pour son dévouement et son énergie tout au long de l'année.

Je vous souhaite un excellent congrès.

Cordialement,

Dr Steven Smith, Ph. D.
Président de la SCP (2025-2026)

WELCOME TO THE CPA'S 87TH ANNUAL GENERAL MEETING AND NATIONAL CONVENTION!

Welcome to Montréal! I am thrilled to be able to welcome you all to the CPA's 87th Annual General Meeting and National Convention being held in Montréal.

The CPA AGM and National Convention are one of the best times of the year for me. In Montréal, people from across Canada (and beyond) will join us to learn from each other and envision future projects. I have always appreciated the opportunity to get together with colleagues, students (and former students) to present and talk about our research, plan "the next big project", and participate in the many different events and experiences the conference allows. Clearly, I am not the only one!

This year is a bit extra special for me, as Montréal is where I was born and raised. Make sure to take some time to explore this amazing city and see as many sites as you can, like Old Montréal, the Old Port, the Botanical Gardens, and the Ferris Wheel. All of these are easily accessed by Montréal's excellent public transit system. Of course, the conference site and hotel are close to many amazing food options, and I encourage you to sample as many as you can.

With a full day of pre-convention events and three days of convention programming that spans 34 subject matter areas and multiple presentation types, the CPA's Convention features an incredible breadth and depth of psychological research, education, and practice.

We hope that you will enjoy the many presentations, exhibits, and opportunities to socialize and network. Personally, the opportunity to reconnect with past colleagues and students is something I truly appreciate about the CPA Convention. I hope you all have the opportunity to do the same. Also – please don't forget to attend the CPA AGM, where we will do a review of the past year's activities, present our financial position, and install our new President.

I would like to thank the hard-working members of CPA's Convention Committee whose thoughtful planning and dedicated efforts have made this convention possible, as well as the incredible plenary speakers, section featured speakers, and all presenters, exhibitors, and sponsors. I would also like to thank our Section Chairs, Review Coordinators, and Reviewers for their expertise and efforts in ensuring an exciting scientific program. Finally, a very special thank you to the staff at CPA's Head Office for their dedication and commitment throughout the year.

I wish you the very best for the conference.

Dr. Steven Smith, Ph.D.
CPA President (2025-2026)

Reconnaissance territoriale

Le congrès 2026 de la SCP sera situés en territoire autochtone, lequel n'a jamais été cédé. Nous reconnaissons la nation Kanien'kehá:ka comme gardienne des terres et des eaux sur lesquelles nous nous réunissons aujourd'hui. Tiohtiá:ke/Montréal est historiquement connu comme un lieu de rassemblement pour de nombreuses Premières Nations et, aujourd'hui, une population autochtone diversifiée ainsi que d'autres peuples, y résident. C'est dans le respect des liens avec le passé, le présent et l'avenir que nous reconnaissons les relations continues entre les peuples autochtones et autres personnes de la communauté montréalaise.

Land Acknowledgement

The CPA 2026 Annual National Convention will be located on unceded Indigenous lands. The Kanien'kehá:ka Nation is recognized as the custodians of the lands and waters on which we gather during the Convention. Tiohtiá:ke/Montréal is historically known as a gathering place for many First Nations. Today, it is home to a diverse population of Indigenous and other peoples. We respect the continued connections with the past, present, and future in our ongoing relationships with Indigenous and other peoples within and around the Montréal community.
