FINANCIAL STATEMENTS

For

CANADIAN PSYCHOLOGICAL ASSOCIATION/ SOCIÉTÉ CANADIENNE DE PSYCHOLOGIE

For the year ended

DECEMBER 31, 2021

Welch LLP®

INDEPENDENT AUDITOR'S REPORT

To the members of the

CANADIAN PSYCHOLOGICAL ASSOCIATION/ SOCIÉTÉ CANADIENNE DE PSYCHOLOGIE

Opinion

We have audited the financial statements of Canadian Psychological Association/Société canadienne de psychologie (the Association), which comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Canadian Psychological Association/Société canadienne de psychologie as at December 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Canadian Psychological Association/Société canadienne de psychologie in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Canadian Psychological Association/Société canadienne de psychologie's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Canadian Psychological Association/Société canadienne de psychologie or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Canadian Psychological Association/ Société canadienne de psychologie's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Canadian Psychological Association/Société canadienne de psychologie's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Canadian Psychological Association/ Société canadienne de psychologie's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Canadian Psychological Association/ Société canadienne de psychologie to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

1. ORGANIZATION

The Canadian Psychological Association (the "Association") was organized in 1939 and incorporated under the Canada Corporations Act, Part II in May 1950. Effective August 13, 2013, the Association continued their articles of incorporation from the Canada Corporations Act to the Canada Not-for-profit Corporations Act. The Association is a not-for-profit organization and as such is not subject to income tax under paragraph 149(1)(I) of the Income Tax Act (Canada).

Its mission is to advance and promote psychology for the benefit of all. Its objectives are:

- To improve the psychological health and welfare of all Canadians;
- To promote excellence and innovation in psychological research, education and practice;
- To promote the advancement, development, dissemination, and application of psychological knowledge: and
- To provide high quality services to members.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for notfor-profit organizations and include the following significant accounting policies:

Revenue recognition

The Association uses the restricted fund method to recognize contributions for the Wesley Coons Memorial Fund. This fund reports the activities detailed in note 11.

The Association uses the deferral method of accounting for all other contributions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized.

Unrestricted investment income is recognized as revenue when earned.

Membership fees and journal subscriptions are collected on a calendar year basis and are recognized as revenue in the year to which the membership or subscription relate. Fees and subscriptions collected prior to the membership or subscription year are recorded as deferred revenue.

Convention and royalty revenues are recognized as revenue is earned.

Accreditation panel fees are levied on an annual basis for the period of September 1 to August 31 and are recognized as revenue in the year to which they relate. The portion of the collected fees relating to the period of January 1 to August 31 is recorded as deferred revenue at December 31.

Fund accounting

The unrestricted fund accounts for the Association's program delivery, journal productions and administrative activities.

The tangible capital and intangible assets fund reports the Association's investment in tangible capital and intangible assets.

Internally and externally restricted funds report the revenue, expenses and fund balances of the activities of the Association for which the funding is restricted to that activity and are described in note 11.

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

2. SIGNIFICANT ACCOUNTING POLICIES - Cont'd.

Sections processing charge

The Association and its 32 Sections represent the interests and promote the advancement of the discipline of psychology in Canada. The Association has significant influence over these Sections. The cash balances for the sections totaled \$232,904 (2020 - \$205,787) and are not included in these financial statements.

Allocation of administration expenses

A portion of administration expense is allocated as overhead to the accreditation panel. Administration is allocated based on a percentage of 18% of the direct expenses of the accreditation panel.

Financial instruments

Financial instruments are recorded at fair value on initial recognition. Cash and publicly traded securities are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the effective interest rate method.

Tangible capital and intangible assets

Tangible capital and intangible assets are recorded at cost. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a tangible capital or intangible asset no longer contributes to the Association's ability to provide services, its carrying amount is written down to its residual value.

Tangible capital and intangible assets are amortized over their estimated useful lives as follows:

| Declining balance basis: Office furniture and equipment | 20% |
|---|--|
| <i>Straight line basis:</i> Computers Leasehold improvements Computer software | five years term of the lease three years |

Leasehold inducements

Leasehold inducements are deferred and amortized over the term of the lease. Annual amortization is recorded as a credit to rent expense.

Use of estimates

The preparation of the financial statements in accordance with Canadian accounting standards for not-forprofit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant estimates include collectibility of accounts receivable, the useful life of tangible capital assets and the determination of accrued liabilities. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recognized in the financial statements in the period they become known.

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

3. FINANCIAL RISK MANAGEMENT

The Association is exposed to and manages various financial risks resulting from both its operations and its investment activities and does not enter into financial instrument agreements including derivative financial instruments for speculative purposes.

The Association's main financial risk exposure and its financial risk management policies are as follows:

Credit risk

The Association is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Association's maximum exposure to credit risk is the sum of the carrying value of its cash, its investments and accounts receivable. The Association's cash and investments are deposited with a Canadian chartered bank and as a result, management believes the risk of loss of these items to be remote. Accounts receivable balances are managed and analysed on an ongoing basis and accordingly, management believes all amounts receivable will be collected and has determined that a provision for bad debts is not required.

Liquidity risk

Liquidity risk is the risk that the Association cannot meet a demand for cash or fund its obligations as they become due. The Association meets its liquidity requirements by establishing budgets and cash estimates to ensure it has funds necessary to fulfil its obligations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk refers to the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

The Association's exposure to financial risks as a result of foreign currency exchange rate fluctuations and the volatility of these rates is limited to its US dollar cash and investments of \$188,711 (2020 - \$118,990).

ii) Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the financial instruments will fluctuate due to changes in market interest rates.

The Association believes it is not exposed to significant interest rate risk on its fixed interest rate financial instruments, as this risk is limited to its investments in guaranteed investment certificates and coupon bonds as disclosed in note 5.

iii) Other price risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the financial instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Association is exposed to other price risk as it has investments in publicly traded securities (equities and mutual funds) that are subject to market fluctuations.

Changes in risk

There have been no significant changes in the Association's risk exposures from the prior year.

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

4. **GOVERNMENT CONTRIBUTIONS**

5.

In March of 2020, the Government of Canada announced that they would be providing emergency funding in response to measures various businesses were required to take regarding the spread of the COVID-19 pandemic.

The amount of subsidies attributable to the Association's December 31, 2021 fiscal year are reported below:

| Osus managet as a tribution of a science black in shuded in a second | 2021 | 2020 | | |

0004

0000

8. LOAN PAYABLE

In 2020, the Association received a \$40,000 loan under the provisions of the Canada Emergency Business Account ("CEBA") and an additional \$20,000 loan was received in 2021. The program was launched by the Government of Canada to provide financing to qualifying small businesses and not-for-profit organizations to ease the financial strain experienced as a result of the COVID-19 pandemic.

The loans, which were provided by Scotiabank, are non-interest bearing, unsecured and guaranteed by the Government of Canada. Repayment of principal is not required before December 31, 2023 and loan payments can be made at any time without fees or penalties. If the Association has paid 66% of the loan amount prior to December 31, 2023, the lender will forgive the remaining \$20,000 balance of the loan. The Association expects to repay the loan amount, consequentially the \$10,000 of the forgivable portion of the loan was recognized as a government contributions during 2020 (note 4).

Any outstanding balance remaining at January 1, 2024 will be converted into a 3-year term loan bearing interest at a rate of 5% per annum, payable monthly. Any remaining balance on the loan will be repayable in full on December 31, 2025.

9. COMMITMENTS

The Association is committed to payments under an operating lease for office space which expires December 31, 2023. The minimum aggregate rent payable for 2023 is \$73,062.

In addition to the above commitment, and as a result of the cancellation of the 2020 annual meeting, the Association incurred a cancellation fee of \$113,878 in relation to guest rooms, meeting and function space. Of which \$56,939 of this fee can be applied to the 2022 annual meeting as a non-refundable deposit, which is reflected in the prepaid expense balance as at December 31, 2021.

The hotel contracts for future events often have clauses that require the Association to pay attrition fees if certain room rental or food and beverage targets are not met as well as cancellation fees if the event is not held. Any cancellation or attrition fees will be recorded in the year that the fee is determinable. As of December 31, 2021, the total maximum cancellation fee is \$291,733, the maximum fee increases as the meeting dates approach.

The expected payments under these agreements is as follows:

| 2022 2023 2024 | \$ 25,921 156,695 <u>96,505</u> |
|----------------------|--|
| | \$ 279,121 |

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

10. CONTINGENT LIABILITIES

The Association allows employees to accrue sick days and carry them forward to future years to be used as short-term disability, as necessary. These amounts do not vest with the employee and have not been recorded in these financial statements.

11. FUND BALANCES

Internally restricted funds

Internally restricted funds consist of the following:

| | Balance, beginning of year | Excess of revenue <u>over expenses</u> | Interfund transfer | Balance, end of year |
|---|--|--|-------------------------------|---|
| Accreditation panel fund IUPsyS fund Indigenous student bursary fund Publications reserve fund Section support fund | \$ 231,161 7,268 - 71,679 <u>3,727</u> | \$ 95,003 - - 3,720 - | \$ - - 33,811 - - | \$ 326,164 7,268 33,811 75,399 <u>3,727</u> |
| | <u>\$ 313,835</u> | <u>\$ 98,723</u> | <u>\$ 33,811</u> | <u>\$ 446,369</u> |

Internally restricted fund balances are committed for specific purposes, which reflect the application of the Association's reserve policy as follows:

The Accreditation panel fund is established as an internally dedicated source of funds for accreditation activities and related special projects.

The IUPsyS fund is established to fund attendance at IUPsyS conferences and the annual general meeting.

The Indigenous student bursary fund is established as an internally dedicated source of funds for Indigenous student bursaries.

The Publications reserve fund represents an internally dedicated source of funds for new publications or future editions of current publications.

The Section support fund is established to fund section activities.

Externally restricted funds

The Wesley Coons Memorial fund was established by the Estate of Wesley Coons to fund annual eligible expenses by members of the Board and designated senior staff.

The fund's activities are summarized below:

| | | <u>021</u> | <u>2</u> | <u>020</u> |
|--|-----------|------------|----------|------------|
| Investment income Eligible expenses | \$ | 3,613 - | \$ | 1,935 - |
| Net revenue | <u>\$</u> | 3,613 | \$ | 1,935 |

NOTES TO THE FINANCIAL STATEMENTS - Cont'd.

YEAR ENDED DECEMBER 31, 2021

12. ADMINISTRATION EXPENSES

| Other | 20,021 | 4,979 |
| Equipment and maintenance | 5,043 | 6,470 |
| | | |
| | <u>\$ 1,865,064</u> | <u>\$ 1,772,788</u> |

Expenses were allocated into the various functions on the statement of operations as follows:

| | <u>2021</u> | | <u>2020</u> | |
|---------------------|-------------|--------|-------------|--------|
| Accreditation panel | <u>\$</u> | 30,512 | <u>\$</u> | 27,082 |

13. COVID-19

In March 2020, the Government of Canada instituted emergency measures in response to the public health concerns originating from the spread of COVID-19. The Association held its annual conference virtually and charged registration fees in 2021, which resulted in an increase to convention revenues and expenses. The Association intends to hold an in-person convention in 2022, therefore we expect an increase in convention revenues and expenses. However, the full impact on the financial statements for the year ended December 31, 2022 is not yet determinable. At this stage, except where noted above, the impact on the Association and results has not been significant and based on the experience to date it is expected to remain the same.

A high degree of uncertainty persists surrounding the full economic impact of the situation. The unpredictable nature of the spread of the virus makes it difficult to determine the length of time that the Association's operations may be impacted. Consequently, at the time of issuance of these financial statements, the effect that the decline in economic activity may have on the Association's operations, assets, liabilities, net assets, fund balances, revenues and expenses is not yet known.
