

In celebration of Psychology Month in February, please join us for a UHN staff educational event presented by UHN Psychology:

Suicide across the adult lifespan: Assessment and Management

Speakers:

Shelley McMain, PhD, CPsych (Head, Borderline Personality Disorder Clinic, Centre for Addiction and Mental Health (CAMH), Assistant Professor, Department of Psychiatry, University of Toronto)

Nasreen Khatri, PhD, CPsych (Clinical Psychologist and Clinician Associate, Rotman Research Institute at Baycrest Hospital)

Date: Tuesday February 26th, 2013

Time: 8:45am-11:45am

Location: Auditorium, 2nd floor West Wing, Toronto Western Hospital

Coffee and refreshments will be provided

**RSVP to Maathuri Thangarasa (maathuri.thangarasa@uhn.ca),
Administrative Coordinator, by February 21st, 2013**

Learning Objectives:

- 1) Understand the epidemiology and risk factors for suicide in younger and older adults
- 2) Gain knowledge pertaining to assessment of suicide risk in these populations
- 3) Learn best practices in management and prevention of suicidality
