

ASK A SCHOOL PSYCHOLOGIST

Parent:

I think my child has ADHD.
What should I do?

Parent:

My child is lonely at recess.
Can you help?

Principal:

At my school, many students cannot read –
What can be done?

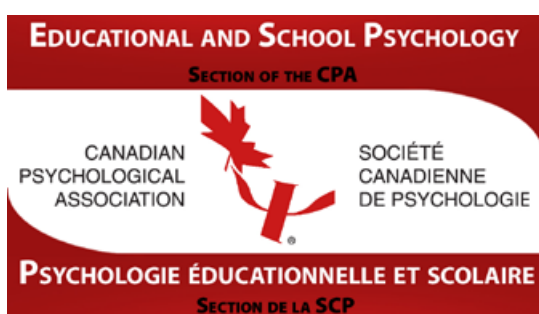

Student:

I can't learn! Can you help me?
Can you show my teachers how to teach me?

Teacher:

How can I help my students deal with a death at our school?

School Psychologists have expertise in various areas of child and youth growth.

SCHOOL PSYCHOLOGISTS:

Providing unique learning and mental health services to school communities.
