CONFERENCE  
MONTREAL 2026

SAVE THE DATE!

MAY 7-9, 2026

BEHAVIOURAL MEDICINE  
TRAINING, LEARNING, NETWORKING

**The IBTN cannot wait to welcome you in beautiful Montreal from May 7 to 9, 2026** to share insights about innovative intervention approaches and methodologies from the field of behavioural medicine. Join us alongside some of the world's leading experts from the field who will share their perspectives and expertise. Speakers will also include up-and-coming new investigators, including IBTN Summer School alumni and trainees from IBTN's Canadian sister organisation (CBITN) who will present their ongoing work.

A full day of plenary sessions, a full day of workshops, an opening cocktail with keynote speakers, a poster session, and a fun closing dinner. Learn more at [www.ibtnetwork.org](http://www.ibtnetwork.org).
