

Summary of January 2012 Call:

Convention in Halifax:

We are currently scoping out a speaker for the CPA Convention in Halifax. We hope that 3 or 4 of the executive members will be attending. We are hoping to have a presenter from the clinical section. Michelle, Justin, & Missy will all be presenting at the convention. For the student social, we estimated that there will be 100 students attending. Justin is currently searching for a venue.

Budget:

We are currently looking at making some changes to the listserv manager's current position so that less hours will be needed in executing the duties. The money we save from the venture will be used toward travel to conferences for both executive and selected students as well as for student awards.

Election

We received one or more applications for all positions except for the Communications Officer. The executive is currently in discussion deciding on how to find a suitable applicant. We will be using the familiar voting system but hope that next year we can use an electronic one.

Psychology Month

Meredith and Missy will discuss how to help reps advertise and educate for this month.

By-laws

Diane is currently working on a revision of the by-laws.

Mindpad

First release was a success with 400 hits. We are now exploring selling advertising spots to help cover costs.

New Business

Justin will be attending the first Head Office Board Meeting from March 23 – 25th.
