

ARE YOU A PSYCHOLOGY GRADUATE STUDENT?

Do you need to complete a history of psychology course for provincial licensing or to get your grad degree?

Or maybe you are just interested in learning how historical concepts are relevant to current issues in psychology?

Either way, you're covered.

The University of Calgary, in partnership with the CPA, is offering a **HISTORY AND SYSTEMS OF PSYCHOLOGY (PSYC601)** course that examines the history of psychological concepts in Western culture, major theoretical systems of twentieth century psychology and foundational assumptions of theories in contemporary psychology, while putting you one step closer to getting licensed in your province.

Particular focus is applied to how the history of psychology is linked to current disciplinary discussions about equity, diversity, and inclusion.
