

TITLE: Dean, Behavioural Sciences – Yorkville University

JOB OVERVIEW: Our client, Yorkville University is a leading provider of professional, practitioner-oriented masters and bachelor degree programs, both online and on-campus. We are seeking an experienced academic leader to undertake the role of Dean, Behavioural Sciences. This is a full-time permanent position for a highly motivated individual who can take initiative and responsibility for all facets of the existing Master of Arts in Counselling Psychology program and pioneer a planned doctoral program. If you have an earned doctorate in Psychology, have practical experience in counselling, and have academic leadership experience in a post-secondary education environment then we would love to speak with you about this exciting opportunity.

How to apply: please send CV or questions in confidence to dmullin@itsacademicjobs.com or apply directly on our web site: <https://www.itsacademicjobs.com/job/2775/dean-behavioural-sciences-yorkville-university/>

LOCATION: Fredericton, New Brunswick

ORGANIZATION TYPE: University

START DATE: 04/01/2019

CONTRACT LENGTH: Full-Time (Permanent)

BENEFITS: Yorkville University offers a competitive salary and benefits package, including relocation support.

QUALIFICATIONS: We are looking for a highly experienced academic leader with a PhD in Counselling Psychology, Psychology or a closely related field, who has practical experience as a counsellor, is well-connected to professional and academic psychology organizations in Canada, can ensure that programs are at the forefront of the Counselling/Psychotherapy profession and also facilitate the development of practicum sites and other opportunities for graduates.

The candidate must also have a strong track record of academic leadership including: program and curriculum development, program accreditation, regulatory affairs, faculty recruitment, quality assurance practices, and student and faculty policies. The candidate must also possess a strong commitment to post-secondary professional education, particularly for working adult learners, and an understanding of and experience in online teaching and learning at the university level.

JOB DETAILS: The Dean is responsible for the quality of the student experience which, at Yorkville University, means recruiting, orienting and retaining credentialed, experienced and caring faculty. It means ensuring that courses are current and that learning experiences are engaging and supporting students' achievement of learning outcomes. And it means that students' rights and responsibilities are maintained as per University policies and best practices.

The Dean implements the University's governance model and the on-going alignment of the program with the expectations of regulators, accreditors and the marketplace (students and employers.) The

Dean develops and maintains professional and academic connections to ensure programs meet the changing needs of the counselling profession, locally, nationally and internationally.

SCHOOL OVERVIEW: Founded in 2004, Yorkville University is a Canadian university with a national presence. With campuses in New Brunswick, Ontario and British Columbia, Yorkville University offers professional, practitioner-oriented masters and bachelor degree programs, delivered entirely online, in class or a blend of both. Please visit www.yorkvilleu.ca for further information.
