Position Summary

The Department of Psychology at the University of Regina invites applications for a position as Director of our Psychology Training Clinic.

Anticipated date of commencement of this position is July 1, 2019, depending on the availability of the successful candidate.

Duties of the successful candidate will include: supervision of clinical psychology graduate students, management of the Psychology Training Clinic, liaising with other clinical settings, generation of referrals, and participation in departmental and clinical committee activities. The successful candidate is expected to cultivate a thriving clinic with a strong base of clientele seeking psychological services. This will include developing long-term plans for growth and sustainability of the Psychology Training Clinic.

The Psychology Training Clinic was opened in November 2014 and has a reception area, Director's office, multiple interview rooms with one-way mirrors, laptop computers, and state-of-the-art video & audio recording equipment.

The program in Clinical Psychology at the University of Regina is committed to the scientist-practitioner model and is accredited by the Canadian Psychological Association. The Department maintains good relations with a number of health care, research, and other educational facilities both within Regina and throughout the province. For more information on the Faculty of Arts, please refer to <http://www.arts.uregina.ca>.

Requirements

Applicants must have a doctorate in clinical psychology from a CPA- or APA-accredited program, and five years of clinical experience post-degree, and experience in supervising clinical psychology students. Our preference is for someone with extensive adult clinical experience. Also, applicants should be registered as a Psychologist in Saskatchewan or apply for provisional registration as soon as possible after they are hired. Maintenance of registration as a Doctoral Psychologist in the province of Saskatchewan will be a condition for continuation of employment. The successful candidate should show clear promise of excellence in clinical supervision and management of the clinic and must have well-developed written and verbal communication skills, combined with budget management experience.

Posting Date 03-01-2019

Closing Date Open Until Filled
