

Tall Tree Physiotherapy and Health Centre is growing! We are a multidisciplinary health care team committed to values of excellence, caring, and ongoing improvement. We are extending our mental health programming and have an opening for a talented, caring, reliable, and dedicated Clinical Psychologist for our location in Vancouver on Commercial Drive. The opportunity can be tailored to the right individual with flexibility around part-time employment, full-time employment, or contract-based relationship. *Please send inquiries and interest to [savid@talltreehealth.ca](mailto:savid@talltreehealth.ca).*
