

Health PEI

Attention Psychologists:

Looking for a *new* and *exciting* career opportunity?

Here in Prince Edward Island, your work will make a difference in the lives of Island families and their communities. You will find challenging work opportunities where you can put your health care experience and education to the test and deliver top quality care to Islanders.

PEI's health care system is recognized for its integrated community and collaborative based care, and its province-wide, "One Island Health System." Health PEI, a crown corporation responsible for the delivery of publicly funded health services in Prince Edward Island, offers a wide variety of programs and services.

Health PEI has opportunities for Psychologists in various areas of the system. Positions are open until filled. Mental health and addictions is undergoing a large system transformation which will result in new upcoming Psychologist opportunities.
