

POSITION TITLE:	Clinical Psychologist
PROGRAM:	Occupational Trauma Program
REPORTS TO:	Rehabilitation Services Manager
LOCATION:	Surrey and/or Abbotsford, BC
STATUS:	Permanent part-time (at least 22.5 hours) or full-time
HOURS OF WORK:	Monday to Friday, up to 37.5 hours per week total duties (on occasion may be required to work evenings or weekends)

Back in Motion is looking for a **Psychologist** to join our intensive **Occupational Trauma Program**, helping workers with work-related traumatic stress disorders recover and return to work.

The Psychologist:

- will provide psychological treatment to adults with Posttraumatic Stress Disorder (PTSD) and other trauma-related disorders.
- must be trained in and have experience with evidence-based treatment for PTSD, such as exposure-based CBT modalities and/or EMDR.
- will conduct treatment-oriented assessments, develop and implement individual treatment plans, write reports, liaise with stakeholders and partner with our Occupational Therapists to ensure a coordinated return to function and work through goal setting, exposure therapy, and supported return to work planning.

We are looking for Psychologists who enjoy working in a team and have excellent clinical and interpersonal skills, passion to help clients with a variety of work-related challenges, and an ability to prioritize with a focus on customer service.

You must be **registered or eligible for registration with the College of Psychologists of British Columbia**. Good organizational and writing skills are essential, and experience working with third-party payers and an understanding rehabilitation and disability issues are an asset. At least three (3) years of treatment experience in a return to work context. Education Requirement: Doctor of Philosophy (Ph.D) or Doctor of Psychology (Psy.D.) in Clinical or Counselling Psychology.

A minimum availability of 3 days per week in our Abbotsford or Surrey clinic, but full time work may be available, if preferred. Competitive compensation & benefits come with this position. Interested and qualified individuals outside of BC are encouraged to connect with us. Relocation assistance is available.

Please send your resume and cover letter including your relevant experience and preference for location and part or full time work to Offie Lastimoza, HR Advisor, Back in Motion Rehab Inc.
