We acknowledge that our community is on the unceded, ancestral territory of the Stó:lo people and we benefit from local knowledge keepers and thriving Indigenous communities.

Mission Public Schools is dedicated to providing our students with an educational environment that nurtures the development of an Educated Citizen. Located in the beautiful Fraser Valley, Mission is a vibrant and diverse community with over 6200 students and 850 employees. We are committed to providing a safe, equitable, and inclusive educational system for all students in our thirteen urban and rural elementary schools, two middle schools, one secondary school, distributed learning centre, alternative learning centre, and vocational and technical college.

About the District School Psychologist Position:
Reporting to the Director of Student Services District School Psychologist is primarily responsible for conducting psychoeducational assessments and providing consultative services. The successful candidate will have extensive knowledge of current, effective assessment methods, as well as best practice in academic intervention.

The District School Psychologist is required to collaboratively consult with teachers, parents, and community agencies regarding the nature of a student’s strengths and needs, their educational implications and ways to enhance learning and interpersonal skills.

This role also requires the ability to assist with pre-referral interventions for the Student Intervention Plans, suggesting support activities to ensure the inclusion of diverse learners, provide assistance in the process of identification of students in special education categories, provide guidance to Learning Support Teachers regarding the use of Level B assessment tools, and provide in-service training as required.

The District School Psychologist is entitled to:
- professional fees paid by the district (prorated based on FTE)
- reimbursement for approved mileage
- annual psychologist allowance as per the collective agreement (prorated based on FTE)

Position Details:
- Full-time (1.0) Continuing Contract
- Office located in Student Services Department at District Education Office, 33046 Fourth Avenue, Mission.
- Salary & Benefits as per Mission Teachers’ Union Collective Agreement

QUALIFICATIONS:
- Master’s degree in school psychology or equivalent
- Certified by the BC Association of School Psychologists and/or registered with the BC College of Psychologists
- Valid driver’s license and reliable vehicle for travel between schools
- Able to work independently and efficiently to complete psychoeducational assessments
CAREER OPPORTUNITY
DISTRICT SCHOOL PSYCHOLOGIST

- Excellent communication, interpersonal and collaboration skills to work effectively with a variety of people
- Knowledgeable of audit compliance criteria for special education categories

Note: Successful applicant will be required to provide a clear Vulnerable Sector Criminal Record Check (CRC) when requested. CRC’s are reviewed and updated by the district every five (5) years.

APPLICATION PROCESS
Interested qualified applicants are invited to submit an application package at https://bit.ly/306sw8G which should include the following:
  - Cover Letter
  - Resume (Include recent professional development activities)
  - Copies of:
    - Latest performance evaluation report
    - Degrees & Certifications/Professional affiliations
  - Three professional references

This position will remain open until a suitable candidate is found. The interest of all applicants is appreciated; however, only those short-listed for interviews will be contacted.
