

## Clinical Psychologist – Adult Services St. Boniface Hospital Winnipeg Regional Health Authority & University of Manitoba

The Department of Clinical Health Psychology (CHP) in the Max Rady College of Medicine, University of Manitoba in collaboration with the Clinical Health Psychology (CHP) Program of the Winnipeg Regional Health Authority (WRHA) invite applications for a Geographic Full-Time (GFT) Clinical Psychologist (**Position #30297**), with a flexible start date, ideally **August 23, 2021** or as soon as possible after. The position integrates clinical and academic roles (typically 80% - clinical; 20% - applied research/clinical teaching). The successful applicant will be appointed to the Medical Staff of the WRHA and will be appointed to the Department of Clinical Health Psychology, Max Rady College of Medicine, at an academic rank commensurate with experience, typically Assistant Professor.

Based at St. Boniface Hospital, the Clinical Psychologist is part of CHP's regional Adult Assessment Service, providing psychological assessment to adult outpatients, as well as consult and assessment to the mental health inpatient units. The Psychologist also provides consultation, including brief intervention, to the medical units as lead for the site's CHP Liaison Team.

Clinical Health Psychology (CHP) is unique in Canada, being both an academic department in the Max Rady College of Medicine and a clinical program, providing psychological services across a range of hospital and community sites in both urban and rural settings. As a member of CHP, the Psychologist joins a large team of dedicated psychologist colleagues in Winnipeg and across the province who provide clinical consultation and collegial support to the group.
