

Private Practice Opportunity in Victoria, BC

Vancouver Island Psychological Services is a busy and growing private psychology practice with two locations in beautiful Victoria, B.C. We provide a wide range of psychological assessment and treatment services to children, adolescents, and adults with a variety of presenting problems and concerns. More information about our practice can be found on our website (vipsychology.ca).

Given the broad scope of the psychological services we provide and our lengthy waiting list, we are always interested in hearing from psychologists and soon-to-be psychologists who might be a good fit for our practice. **We are currently seeking doctoral-level psychologists to join our clinical team in an associate capacity.** We are enthusiastic about working with both experienced and early-career psychologists, and we offer free supervision to clinicians who are applying for or in the process of registration with the College of Psychologists of BC.

Vancouver Island Psychological Services also offers Associate Psychologists:

- access to our diverse network of referral sources;
- professional office space and Information Technology (IT) resources;
- a supportive and collegial working environment;
- regular opportunities for case consultations and continuing education;
- flexibility to tailor caseloads and work schedules (days and hours) based on personal preferences;
- opportunities to work in a variety of clinical areas and/or in niche areas;
- substantial administrative support from our excellent team of six administrative staff members;
- access to a comprehensive test library and a psychometrist; and
- potential annual earnings of \$150,000 or more (based on full-time hours).

For more information, or if you are interested in this opportunity, please contact Dr. Patrick Corney, Clinic Co-Director, by email at pcorney@vipsychology.ca or by telephone at 1-877-727-7060.
