

CHARTIER ARNOLD SHIMP & ASSOCIATES

REGISTERED DOCTORAL PSYCHOLOGISTS

Seeking Registered Psychologist

Who We Are:

Chartier Arnold Shimp & Associates is a group psychology practice of 10 doctoral level psychologists that offers comprehensive assessment, treatment and consultation services for adults, children, adolescents, and couples. Our practice was opened in 1989 and is one of the largest psychological practices in Saskatchewan.

We foster a culture of excellence with a focus on ethical and evidence-based practice that meets the needs of the very diverse community we serve. Our mission is to help people make substantial and lasting changes in their lives. We are located on College Drive in Saskatoon, close to the University of Saskatchewan and the South Saskatchewan River, with easy access to the whole city. From Saskatoon there is quick access to northern lakes, sand dunes, and the boreal forest at Prince Albert National Park. If you're looking to join a dynamic team of registered psychologists looking to make a difference in the community, we want to hear from you! Our team of psychologists is supported by an administrative team that will allow you to focus on what is important – providing psychological services to your patients. We are a collaborative and supportive team which provides the opportunity for growth and development through monthly clinical rounds and accessible consultation / supervision opportunities.

COVID19 Statement

- In an effort to keep our staff and community safe, our team is currently conducting most sessions via phone or secure video.
- Applicants interested in providing in-person services, virtual services or a combination of both are encouraged to apply.

What we're looking for:

- A Doctoral level degree in Psychology and are currently registered, or eligible for registration, with the College of Psychologists of Saskatchewan
- The demonstrated skills to provide evidence-based clinical management, assessment and therapy services
- Excellent oral and written communication skills, interpersonal skills and the ability to work effectively in a team environment
- Experience working with mood and anxiety disorders, rehab / health psychology, trauma, and / or problems in everyday living in children, adolescents and/or adults

One or more of the following qualities would be considered assets:

- Experience or interest in adult rehab / health psychology and working with interdisciplinary teams
- Competency in working with couples and/or families
- Competency in working with children and/or adolescents

Why Us?

- Flexible working hours: Our clinic is open during regular office hours & is fully supported by our administrative team during those hours. Psychologists may work early/late/weekends if they choose.
- Diverse Client Base: Our group prides ourselves on our relationships with insurance companies, family practices and other referral sources offering our clinicians a variety of assessment and treatment opportunities.
- Marketing Efforts: As a part of the group, you will benefit from our large referral base and waitlist for some populations.
- Team: We offer a team environment that is focused on growth and development. Our group is dynamic, collaborative and supportive. We enjoy staff lunches, team functions and celebrating each other's milestones and successes.
- Consultation & Supervision Opportunities: We have several psychologists available to provide consultation and supervision with adults, children, adolescents, seniors and couples in the areas of clinical, counseling and health psychology.
- We provide administrative services that include full clinic management software for all appointments, billings etc.
