

Regina Public Schools

is seeking

Psychologists

The Regina Public School Division is accepting applications for psychologists for the 2021-22 school year. Primary duties include assessment of academic skills, behaviour, and aptitude for learning; determining social-emotional development, and mental health status; working directly with children and their families to help resolve problems in adjustment and learning; collaborating with teachers, parents, community agencies, and administrators to find effective solutions to learning and behavioural difficulties; and developing effective strategies to enhance learning. Psychologists also provide services to intensive support programs designed to assist students experiencing behavioural, emotional, academic difficulty.

The successful candidate must possess a Master of Education or Master of Arts degree with specialization in School Psychology, Educational Psychology or Clinical Psychology. Candidates must be registered or eligible for registration with the Saskatchewan College of Psychologists and have or be working toward acquiring the Authorized Practice Endorsement. Strong communication and interpersonal skills, demonstrated ability to work as a member of a team, and a valid driver's license are required. The professional association fees will be covered by Regina Public Schools.

The salary range for this position is \$66,426.80 to \$107,893.50, depending on qualifications and experience.

To ensure consideration for this position, a comprehensive résumé with references should be submitted no later than **Tuesday, September 21, 2021** by email to hr@rbe.sk.ca.
