

Looking for a new and exciting career opportunity?

Health PEI has permanent and temporary [opportunities for Psychologists](#) in various areas of the health care system. We offer a one-time financial incentive of \$15,000 for a 2-year return in service agreement for permanent positions.

Candidates must have a Doctoral Degree in Clinical or Counselling Psychology and be eligible for registration with the [PEI Psychologists Registration Board](#).

Here in Prince Edward Island, your work will make a difference in the lives of Island families and their communities. You will find challenging work opportunities where you can put your health care experience and education to the test and deliver top quality care to Islanders.

PEI is recognized for its integrated community and collaborative based care and its province-wide "One Island Health System".

Prince Edward Island offers you:

- lots of green space and waterfront;
- sport and leisure activities;
- short commute times; and
- low crime rates and safe neighbourhoods.

See why you should [Choose PEI](#)
