

Clinical Child Psychologist – Child Protection Centre Shared Health Manitoba & University of Manitoba

The Clinical Health Psychology (CHP) Program, Shared Health Manitoba in conjunction with the department of Clinical Health Psychology (CHP) Max Rady College of Medicine, University of Manitoba invite applications for a Geographic Full-Time (GFT) Clinical Psychologist (**Position #30744**), with a flexible start date, ideally **November 15, 2021** or as soon as possible after. The position integrates clinical and academic roles (80% - clinical; 20% - applied research/clinical teaching). The successful applicant will be appointed to the Medical Staff of Shared Health and will be appointed to the Department of Clinical Health Psychology, Max Rady College of Medicine, at an academic rank commensurate with experience, typically Assistant Professor.

The position is based at the Child Protection Centre (CPC) - Health Sciences Centre in Winnipeg. The Clinical Psychologist is part of the CPC interdisciplinary team, which offers specialized services related to child maltreatment, providing care directly to children and youth who have experienced maltreatment or are suffering from the post-trauma sequelae of maltreatment. The Psychologist works closely with the other CPC team members to provide a collaborative family-centered approach to care. The successful applicant will provide psychological evaluation for diagnosis and treatment planning as well as providing evidence-based trauma-focused intervention for children who have experienced abuse or maltreatment. The Psychologist will contribute to clinical programming development.

Clinical Health Psychology (CHP) is unique in Canada, being both an academic department in the Max Rady College of Medicine and a clinical program in the health system, with a mandate to provide psychological services across a range of hospital and community sites in urban and rural/northern settings. As a member of CHP, the Psychologist joins a large team of dedicated psychologist colleagues in Winnipeg and across the province who provide mentoring, consultation, and collegial support.
