REGIONAL CLINICAL SUPERVISOR, MENTAL HEALTH ADDICTIONS OPPORTUNITY

Do you want to work in a place where nature is at your doorstep? Are you ready to take on a leadership role in your work? Do you want to inspire innovation and advancement in your field? Clinical Supervisor positions throughout the Northwest Territories are available now! Apply today!

Why the Northwest Territories?

Located above the 60th parallel, the Northwest Territories awaits with seemingly endless lakes and unmatched vistas. The opportunities available in our communities are perfect for the outdoors enthusiast looking for adventure, a healthy work/life balance, and an escape from the hustle of the big city.

The Sahtu Region is an explorer’s dream, as it is home to beautiful mountain landscapes, the famous Canol Heritage Trail and Great Bear Lake, whose deep waters make for excellent fishing.

The Beaufort-Delta Region is home to the northern-most communities in the Northwest Territories. Famous for wildlife sightings like polar bears, reindeer, muskoxen and caribou, this unique region above the tree line is simply breathtaking.

Full of rich history and culture, the Tłı̨chǫ Region is the place to be if you love rugged nature, big lakes and friendly communities. In Behchokǫ, visit the picturesque beaches of the North Arm Territorial Park, or catch a glimpse of a bison grazing along the highway’s edges!

About the Work

Located in Norman Wells, Inuvik, and Behchokǫ, the Regional Clinical Supervisor, Mental Health and Addiction Services (Clinical Supervisor) reports to the Regional Manager, Mental Health and Addictions in their region. The Clinical Supervisor position is part of a collaborative multi-disciplinary approach to the delivery of direct therapeutic services to support the needs of children, youth and their families. The incumbent will modify existing programs to suit the realities of providing services in different communities throughout the region; identify additional programs or services required due to local realities and research best practices in other jurisdictions for possible inclusion within their region.

Positions are currently available in Norman Wells, Inuvik, and Behchokǫ, Northwest Territories.

Typically these positions require a Master's degree in counseling psychology, clinical psychology, or social work with three years of relevant counseling experience in a scope of practice or experience restricted to addictions, mental health, and/or family violence. The education or work experience of the Clinical Supervisor should include clinically supervised experience. Clinically Supervised education or work experience includes counselling and clinical experience obtained under a qualified supervisor and
includes at least 800 hours where at least 400 hours is direct client contact. In addition, the incumbent must have proven supervisory and program design/evaluation experience.

What are the Benefits?

In addition to highly competitive salaries, the Northwest Territories offers a Northern Living Allowance ($5,517 for Behchokǫ, $14,234 for Inuvik, and $19,823 for Norman Wells) health and dental benefits, a generous pension plan, and outstanding leave benefits including deferred leave options. On top of that, we offer relocation assistance, along with professional development opportunities and education support.
