**JOB TITLE:** Psychologist  
**Location:** Cornwall, Ontario  
**Job Type:** Permanent Full Time

**About Cornwall:**

Located along the beautiful and historic St. Lawrence River, Cornwall, Ontario is a short one-hour drive from Ottawa or Montreal. Our growing community is beautiful, safe, and friendly. You’ll find everything you need to enjoy an exceptional quality of life. Ours is a full-service city with a small-town feel, where everything is just minutes away from your front door! Cornwall is also among the most affordable cities to live in, especially when it comes to housing.

**About Cornwall Community Hospital:**

You'll want to work with Cornwall Community Hospital because…We've been caring for our community for over 100 years and we're proud of our history!

Cornwall Community Hospital was incorporated in 2004 with the amalgamation of the Cornwall General Hospital and the acute care services of the Hotel Dieu Hospital, both with over 100 years of health care service to Cornwall and surrounding area. With the completion of a major redevelopment project in 2014, and the construction of the Addiction and Mental Health Centre at the end of 2016, the hospital consolidated all acute care and community-based services on their McConnell Avenue site. Having everything on one campus positions the hospital well to serve its community for many years to come.

As part of the Cornwall Community Hospital, you will uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”. We offer competitive pay, work-life balance, and employee support programs.

**Job Description:**

Summary of responsibilities

The Psychologist is responsible for the provision of comprehensive psychology services, including assessment, testing, diagnosis, and treatment for adults. They also provide consultation and education for staff, physicians and community-based stakeholders, as required.
