

University of Waterloo's Campus Wellness team is growing! We are looking to add a talented and engaged Clinical Psychologist to our innovative team. This role offers a competitive salary and an opportunity to lead work in a dynamic multi-disciplinary setting at a post-secondary institution. This is a fulltime role, but will consider part-time.

This role offers opportunities to work in various practice areas, including intervention, assessments, program evaluation and consultation with a range of clinical professions. In addition, the University's Campus Wellness department offers a vibrant clinical training environment which includes participation in the CPA-accredited Waterloo Region Psychology Consortium.

Qualified candidates must have a doctoral degree in psychology and be registered as a psychologist member in good standing a designated professional college (adult population competency required;). Candidates will carry appropriate liability insurance as outlined by the College of Psychologists of Ontario.
