The Mindcare Institute of Korea is a multidisciplinary clinic with U.S., Canada, and Korean licensed speech and language pathologists, Occupational therapists, psychologists and counselors. We are seeking a dedicated ABA therapist to join our team. We work with a variety of diagnoses including Autism Spectrum Disorder, Attention Deficit Hyperactivity Disorder, Adjustment Disorder, Depression, Anxiety, and family issues. We are hoping to expand our ABA team with time, but at this point we are looking for a qualified BCBA who can help us develop the team.

Duties would include: providing ABA therapy to our children with Autism Spectrum Disorder, or with developmental delay. Providing ABA based parent education for the parents of these children helping to develop homebased or center-based programs for them. The ABA therapist would be expected to be based in the Pyeongtaek clinic but would be expected to come to Seoul once per week. (transportation fees would be reimbursed)

The ABA therapist will be expected 5 days per week (Tuesday through Saturday) from 10am to 7pm with one hour off for lunch. The ABA therapist will be expected to carry 6 case hours and will be provided with 2 hours of writing time/ meeting times per day.

10 vacation days will be provided in the first year, and there will be financial support for moving and also assistance for down payment on an apartment (in the form of an interest free loan) in Korea will provided.

Visa applications can be supported by the Clinic and a visa expert will guide the process.
