Why Join Psych Company?

We are leading in the industry of mental health and wellbeing and we take pride in our approach to therapy as we are action-oriented, and results driven. We believe in not only providing all the traditional forms of counselling but also in combining therapy with effective solutions and practical strategies to help our clients live better and healthier lives.

We are a purpose-driven, warm and growing company of high performing professionals with a diverse background providing psychological counselling, therapy and life coaching services. We can assure you that our team is committed to helping each other, creating a fun, rewarding and positive environment to support your growth and journey with us.

The Role

For psychologists, this is an outstanding opportunity to join a collaborative team. The nature of the work is hands-on assessment, consultation, and long-term/short term treatment of clients.

Qualifications:

The ideal Psychologist candidate has:

- A minimum of a Master's Degree in Psychology
- 2 years+ hands on experience
- Registered with the College of Psychologists (mandatory)
- Member of the Ontario Psychological Association (OPA) or Canadian Psychological Association (CPA)
- Excellent working knowledge of the DSM-IV/V diagnostic criteria
- Understanding of different Therapeutic models

What Sets You Apart from the Crowd:

- Previous work experience in Psychological Assessments, Life coaching, Career Coaching, Relationships, ADHD, ASD
- Interest and/or experience in providing supervision (depending on depth and relevance of experience qualifications)
- Excellent verbal and written communication skills
- Excellent Interpersonal skills
- Organization and time management skills
- Ability to work with a high level of flexibility
- Ability to work well independently and as part of a team
- Demonstrated satisfactory work performance

Why Work with Psych Company:

We are growing and want to support your career growth at the same time!

- Flexibility in your schedule
- We value professional growth and regularly provide ongoing training and professional development opportunities

- Be part of a high-impact organization that is looking to support the demand for gold standard care in mental health, anxiety and depression.
- We value those who are high achievers and who work hard - will be recognized.
- We value professional growth

Criteria for applying:

Please submit your cover letter and resume, and share what you are looking for in your career. Please describe your therapy areas of interest, passions in client care and any other strengths you would like to share.
