Invites applications for the position of:

Psychologist / Psychological Associate

Permanent and Temporary Positions
OSSTF

Salary:
Permanent: $75,545 to $104,350 (MA), $80,732 to $109,537 (Ph.D)
Temporary: $47.75 to $65.96 hourly rate (MA), $51.03 to $69.24 hourly rate (Ph.D)

Position Summary:
As registered members of the College of Psychologists of Ontario, Psychologists/Psychological Associates provide assessment, consultation and short term support for students presenting with academic, social, emotional and behavioural challenges.

Psychologists/Psychological Associates support school personnel, students and their families to meet various psychological needs and promote learning and development.

Major Responsibilities:
- Conduct psychological assessments of students presenting with academic, social- emotional, and learning difficulties to assist in the provision of educational services.
- Provide consultation services on the intellectual, social and emotional development of students to Board staff and parents.
- Provide consultation to teachers, administrators, resource staff and parents/guardians regarding students with learning, personal adjustment or developmental concerns for the purpose of program planning.
- Respond to any school crisis, including student at risk of self-harm or school-wide response to a tragic event, as requested by school administrator or chief psychologist.
- Communicate and liaise with relevant professionals, including private practitioners and agencies, to ensure a coordinated effort in supporting the needs of students.
- Facilitate student’s access to services offered by community agencies.
- Provide short term supportive intervention to students experiencing personal or family crisis, in order to promote stability or while they are on a wait list for outside agency services.
- Attend case conferences and IPRCs to present Psychological information that is pertinent to the student’s program.

Elizabeth Crowe
