

Clinical Psychologist

Kelowna, BC

Interior Health Authority is seeking an experienced Clinical Psychologist to join the Interior Health team! This position is based out of the Community Health and Services Centre in beautiful and sunny Kelowna, BC!

The primary responsibilities of the position will include completing psychological services, including assessments, individual and group therapy, treatment planning and behaviour management interventions for the assigned clinical practice area. In addition to direct service provision, the Clinical Psychologist contributes to ongoing quality improvement, program development, evaluation, and research. The position supports a multidisciplinary and collaborative approach to service delivery within the continuum of Allied Health services.

This is a permanent full-time opportunity. Days of work are Monday to Friday from 08:00-16:00 with weekends and stat holidays off. Recognized as one of BC's top employers, we offer progressive and diverse workplaces, a network of welcoming multi-disciplinary colleagues and a range of benefits and services to support you:

- Relocation assistance
- Competitive compensation
- Extended health & insurance plans
- Generous employer paid vacation & sick time
- Training and career development opportunities

Kelowna's sunny weather, spectacular scenery, lakes, canyons and many attractions are the perfect combination for those who enjoy an active lifestyle and an urban setting. Kelowna residents and visitors enjoy a vibrant cultural life including a professional symphony, annual festivals, and art exhibits.

Qualifications:

- Ph.D. in Psychology from a university or school recognized by the College of Psychologists' of British Columbia, with an approved pre-doctoral internship in clinical psychology.
- Current registration with the College of Psychologists' of British Columbia (or eligible for registration).
- Five years recent related experience in clinical psychology in the assigned clinical practice area(s).
