

REGISTERED PSYCHOLOGIST
CHRIST THE REDEEMER CATHOLIC SCHOOLS
OKOTOKS, AB

Christ the Redeemer Catholic Schools is a large and fast growing organization providing high quality education in a faith-filled, Christ centered environment.

We are currently accepting applications for a **Registered Psychologist** based in Okotoks, Alberta and serving students throughout our division. CTR Catholic has 18 schools and nearly 11,000 K-12 students. This position will work 30 hours per week on average (0.80 FTE).

Our Registered Psychologist will provide psychological assessment services to our students. The incumbent will identify, diagnose, and treat delays, disorders, and behavioural issues, focusing on students with developmental delays and/or behavioural disorders.

Our Registered Psychologist will also provide expertise as part of a multi-disciplinary team to support developmental and learning strategies for children and their families as well as individual and broad-based supports for teachers and school staff.

Primary responsibilities:

- Liaise closely with the Director of Student Services, Student Services Coordinators, Learning Support Teachers, and other school personnel to provide effective strategies to support students
- Administer and interpret standardized psychological assessments
- Report writing
- Recommend strategies including programming for in class, home, and new environments
- Consult with other professionals to gather information and services to meet the individual needs of a student
- Travel throughout our division will be required

Qualifications:

- A Master's degree in psychology and a minimum of 1 year of related experience
- Be registered with the Alberta College of Psychologists
- Knowledge of assessment, diagnosis and treatment principles, practices, and professional standards
- Advanced assessment, analytical and problem solving skills to identify educational barriers
- Advanced skills in assessment, consultation, and collaboration
- Strong mediation, negotiation and conflict resolution skills and the ability to work within tight timelines
- Strong communication skills and the ability to present complex information to various stakeholders
