

Clinical Psychologist – Operational Stress Injury Clinic Shared Health & University of Manitoba

The Clinical Health Psychology (CHP) program, Shared Health, in conjunction with the Department of Clinical Health Psychology (CHP) Max Rady College of Medicine, University of Manitoba invite applications for a Geographic Full-Time (GFT) Clinical Psychologist (**Position #31050**). Start date is flexible for fall 2022. The position integrates clinical and academic roles (typically 80% clinical; 20% applied clinical teaching/applied research). The successful applicant will be appointed to the Medical Staff of the Shared Health, and will be appointed to the Department of Clinical Health Psychology, Max Rady College of Medicine, at the academic rank commensurate with experience, typically Assistant Professor.

The position is based at the Operational Stress Injury Clinic, Deer Lodge Centre, in Winnipeg. The OSI Clinic is part of a national network of clinics across Canada which provide assessment and treatment services for veterans, Canadian Forces members, and the RCMP related to operational stress injuries such as post-traumatic stress disorder and depression. The Psychologist would join a dynamic inter-professional team which includes psychologists, consulting psychiatrists, social work, occupational therapists, and nursing.

Clinical Health Psychology (CHP) is unique in Canada, being both an academic department in the Max Rady College of Medicine and a clinical program in the health system, with a mandate to provide psychological services across a range of hospital and community sites in urban and rural settings. As a member of CHP, the Psychologist joins a large team of dedicated psychologist colleagues in Winnipeg and across the province who provide mentoring, consultation, and collegial support.

An inclusive, open and diverse community is essential to excellence and fosters voices that have been ignored or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, and in recognition of the underrepresentation of members of historically and currently excluded groups, we take proactive measures including implicit bias training for all hiring panels. We strive for diversity and cultural safety throughout the hiring process (hiring panels, short-list of candidates, interviews). We encourage you to self-identify any aspect of diversity in your cover letter. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact UM.Accommodation@umanitoba.ca or 204-474-7195.
