

# Psychologist II - Clinical Care & 2SLGBTBQI+ Services (2022-0330)

Red Deer , AB or Lethbridge AB

CALGARY, AB / OPERATIONAL STRESS INJURY CLINIC - PSYCHOLOGY /

REGULAR FULL-TIME

**Here's your chance to be a part of our story!** Carewest is one of Calgary's leaders in exceptional care and we are looking for passionate helpers to join our team.

At Carewest, our mission is to support all clients in maintaining their quality of life as they transition through their health care journey. Our core values of *Caring, Relationships, Learning* and *Responsibility* guide how we provide care to those who need it the most.

With a strong focus on delivering quality care & safety to our residents & clients we strive to attract innovative thinkers looking for a rewarding career.

Help us make a difference and connect with us today!

## The Opportunity

The Carewest Occupational Stress Injury Clinic invites applications for the position of Psychologist II who will provide significant (66%) direct client care. Our new colleague will, in addition to having strong clinical skills and interest in providing a range of clinical services, coordinate services for members of the 2SLGBTQI+ community and their allies at the clinic, and

also collaborate to create a knowledge base within the clinic to grow a supportive, inclusive environment. This role may require travel to support satellite clinics in Lethbridge and/or Red Deer.

### **Program Summary**

The Calgary Operational Stress Injury Clinic (OSI) is an outpatient mental health clinic funded by Veterans Affairs Canada who supports, through mental health trauma focused treatment, former and current Canadian Armed Forces members, and members for the RCMP, suffering from symptoms sustained while in service with the military or police. The Calgary OSI Clinic operates out of a facility in NW Calgary (Market Mall) and supports a satellite clinic located in Red Deer another coming shortly in Lethbridge.

Employed at the Calgary OSI Clinic is a multidisciplinary staff made up of administration, program evaluators, psychiatrists, psychologists, social workers, occupational therapists, and nurses. We are a specialized trauma mental health clinic who affirms and values inclusion and equity and encourages in the utilization of our services. To this end, we seek to provide a safe, welcoming and affirming environment for all.

### **Required Qualifications & Experience:**

- Graduated from a recognized degree program in Psychology
- Master's Degree required; a PhD would be preferred
- Registration with the College of Alberta Psychologists (CAP)
- Experience in delivering effective individual and group psychotherapy

### **Preferred Qualifications & Experience:**

- Training and experience in creating 2SLGBTQI+ programs
- Knowledge of 2SLGBTQI+ military, RCMP, and veteran's unique needs in regards to mental health treatment
- Knowledge of 2SLGBTQI+ inclusivity needs in regards to mental health access
- Knowledge of the intersectional nature of the 2SLGBTQI+ community with a focus on culturally informed clinical practices
- Experience in treating anxiety disorders, including PTSD
