

Clinical Psychologist

Kamloops, BC

Interior Health

We have an exciting permanent full-time opportunity for a Clinical Psychologist to join the Interior Health team. This position is part of the Early Psychosis Intervention (EPI) program. It is a regional position, based out of Kamloops, supporting surrounding communities in a Hub and Spoke model.

The Clinical Psychologist will be responsible for providing psychological services, including assessment, individual and group therapy, and treatment planning for the assigned clinical practice area(s). In addition to direct service provision, the Clinical Psychologist contributes to ongoing quality improvement, program development, evaluation, and research. The position supports a multidisciplinary and collaborative approach to service delivery.

We offer an exceptional employer-paid benefits package, recognition of previous experience in determining starting salary, and generous vacation entitlement after your first year of employment.

We offer a work environment conducive to growth and development of strong clinical skills. The opportunity to have a balanced lifestyle that allows you to maintain the quality of life you desire.

Come and join a Tertiary Mental Health Service that is valued among colleagues. Contribute to a strong multi-disciplinary team and utilize the exceptional resources available...Apply today!
