

Pediatric Clinical Neuropsychologist – Health Sciences Centre Shared Health & University of Manitoba

Clinical Health Psychology (CHP), Shared Health, in conjunction with the Department of Clinical Health Psychology (CHP) Max Rady College of Medicine, University of Manitoba invite applications for a Geographic Full-Time (GFT, contingent) Clinical Psychologist (**Position #33466**) with a flexible start date in **Fall 2023**, and opportunity to start earlier or later if needed. This permanent position integrates clinical and academic roles (typically 80% clinical; 20% applied clinical teaching/applied research). The successful applicant will be appointed to the Medical Staff of Shared Health, and will be appointed to the Department of Clinical Health Psychology, Max Rady College of Medicine, at the academic rank commensurate with experience, typically Assistant Professor. Current interns/residents are welcome to apply.

The position is based at Health Sciences Centre, Winnipeg. The Pediatric Clinical Neuropsychologist is part of CHP's Child & Adolescent Psychology Service, which consults to both the Children's Hospital pediatric clinics and to the Mental Health & Addictions child inpatient/outpatient services. In collaboration with interdisciplinary teams, the child neuropsychologist provides consultation and assessment for a range of presentations regarding neurological illness and injury (e.g., traumatic brain injury, epilepsy, cancer), pre/post neurosurgery, and complex neurodevelopmental disorders. Consultation can also include opportunity to provide intervention for health and mental health conditions, where appropriate training and experience.

Clinical Health Psychology (CHP) is unique in Canada, being both an academic department in the Max Rady College of Medicine and a provincially-led clinical service in the Manitoba health system, with a mandate to provide psychological services across a range of hospital and community sites in urban and rural/northern settings. As a member of CHP, the Psychologist joins a large team of dedicated psychologist colleagues across the province who provide mentoring, consultation, and collegial support.

- Education and training in evidence-based psychological treatments for children an asset.
- Excellent interpersonal relationship skills, oral and written communication, and inter-professional teamwork skills.
- Satisfactory results of pre-employment criminal record, vulnerable person and child and adult abuse registry checks are required.

Salary and Benefits:

- Attractive salary schedule, with benefits package through the University of Manitoba, and relocation support.
- The Geographical Full Time (GFT) agreement provides the opportunity for on-site private practice.
- Supervision will be provided by the CHP Program for individuals registered at the C.Psych. Candidate level, until completion of registration requirements for independent practice as a C.Psych.

An inclusive, open and diverse community is essential to excellence and fosters voices that have been ignored or discouraged. To address the Rady Faculty of Health Sciences commitment to equity, diversity and inclusion, and in recognition of the underrepresentation of members of historically and currently excluded groups, we take proactive measures including implicit bias training for all hiring panels. We strive for diversity and cultural safety throughout the hiring process (hiring panels, short-list of candidates, interviews). We encourage you to self-identify any aspect of diversity in your cover letter.

The University of Manitoba and Shared Health are committed to the principles of equity, diversity & inclusion and to promoting opportunities in hiring, promotion and tenure (where applicable) for systemically marginalized groups who have been excluded from full participation at the University and the larger community including Indigenous Peoples, women, racialized persons, persons with disabilities and those who identify as 2SLGBTQIA+ (Two Spirit, lesbian, gay, bisexual, trans, questioning, intersex, asexual and other diverse sexual identities). All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. If you require accommodation supports during the recruitment process, please contact UM.Accommodation@umanitoba.ca or 204-474-7195.
