

Private Practice Opportunity in Victoria, BC

Vancouver Island Psychological Services is a busy and growing private psychology practice with two locations in beautiful Victoria, B.C. We provide a wide range of psychological assessment and treatment services to children, adolescents, and adults with a variety of presenting problems and concerns. More information about our practice can be found on our website (vipsychology.ca).

We are currently seeking doctoral-level psychologists to join our clinical team in an associate capacity. **We currently have a particular need for a psychologist who is interested in working with a police/first responder population.** However, given the broad scope of the psychological services we provide, we also have opportunities available for psychologists and soon-to-be psychologists who work with other populations. Clinicians in our practice have autonomy to pursue their particular areas of clinical interest and flexibility to tailor their caseloads and work schedules based on personal preferences.

We are enthusiastic about working with both experienced and early-career psychologists, and we offer free supervision to clinicians who are applying for or in the process of registration with the College of Psychologists of BC.

Vancouver Island Psychological Services also offers Associate Psychologists:

- access to our diverse network of referral sources;
- professional office space and Information Technology (IT) resources;
- a supportive and collegial working environment;
- regular opportunities for case consultations and continuing education;
- opportunities to work in a variety of clinical areas and/or in niche areas;
- substantial administrative support from our excellent team of six administrative staff members;
- access to a comprehensive test library and a psychometrist; and
- excellent earning potential with autonomy around schedule and billable hours.

For more information, or if you are interested in this opportunity, please contact Dr. Patrick Corney, Clinic Co-Director, by email at pcorney@vipsychology.ca or by telephone at 1-877-727-7060.
