Clinical Psychologist

Horizon Health Network is currently recruiting Psychologists to join our teams in the Miramichi, Moncton, Saint John, the Upper River Valley and Fredericton areas.

Horizon Health Network is the largest regional health authority – and one of the largest employers – in New Brunswick, and the second-largest health authority in Atlantic Canada. Our leadership and health care providers are experts in diverse areas of health and community services and provide services to a half a million people.
To learn more about us and our facilities visit: https://horizonnb.ca/about-us/

Horizon Health Network offers opportunities to work in our hospitals or in a variety of community-based positions with our Addictions and Mental Health teams across New Brunswick. These opportunities are Permanent Full-time positions and come with Relocation Assistance, and a $10,000 Recruitment Incentive. Consideration would also be given to candidates seeking part-time and or casual opportunities as well. Written and verbal communication in English is essential.

Whether you are completing your internship and seeking supportive supervision or an established, practicing psychologist interested in working in the public sector, we are interested in exploring our opportunities with you.

QUALIFICATIONS:

- A Masters degree in Clinical Psychology with three years of supervised experience, EdD in counseling psychology or a doctoral degree in Psychology with a year of supervised experience.
- Must be eligible to be licensed as a Psychologist under the New Brunswick College of Psychologists Act.
- Ability to attend work on a regular basis.
- Ability to perform the duties of the position.
- Good work record.
- Written and spoken competence in English is required
