

Mental Health Therapist

Location: Three Hills, Alberta, Canada

Requisition #: ALB00342146

Posting Close Date: Sep 28, 2023

Salary Range: \$40.31 - \$53.54 per hour

Job Type: Regular Full Time

Your Opportunity:

As a member of the multi-disciplinary team, reporting to the Manager, Three Hills Community Addiction and Mental Health, you will provide emergent intervention, screening, risk and mental health assessment, provisional diagnostic and treatment planning services to adults with acute, and chronic psychiatric disorders. Service is primarily provided to adult clinic, but you may on occasion respond to clients' needs of all age group with addiction and psychiatric disorders, i.e., children, adolescents, adults.

This position is responsible for assessment/intervention, direct assistance in problem solving and short- and long-term case management, focusing on functional living skills, and community stabilization, for those with short-term and chronic mental health issues in a variety of community settings. Direct client care includes responding, screening, and prioritizing service, conducting necessary assessment, and providing treatment to clients including mental status and risk assessments and therapy. Familiarity with mental health legislation is essential to provide both education, clinical care and collaborative working relationships with other health professionals. Utilizing a variety of treatment modalities you will provide consultation to community agencies, physicians, and other key stakeholders in the care continuum of addiction and mental health.

As an active and supportive treatment member, you have excellent communication skills, and the ability to work independently. You are a self-directed, highly motivated individual with exceptional leadership, organizational, and problem solving that is able to manage change and deal with a fast paced.

This position may qualify for a \$5,000 to \$25,000 Recruitment Incentive.
