

**Department of Psychology, University of Manitoba**  
**Clinical Psychology, Assistant Professor - Position #34266 & #34254**

As part of a multi-year expansion to our CPA-accredited Clinical program, the Department of Psychology, Faculty of Arts at the University of Manitoba invites applications for two full-time Probationary (tenure-track) appointments at the rank of Assistant Professor. The appointment has an anticipated start date of July 1, 2024. Review of applications will continue until the positions are filled. Salary will be commensurate with experience and qualifications.

**Responsibilities**

The successful candidate will be expected to develop a productive and internationally recognized research program, obtain external funding, teach primarily graduate-level and some undergraduate-level courses, supervise graduate and undergraduate research, supervise clinical practica, and contribute to service. Alternative delivery modes of teaching (e.g. online instruction) may be available. The standard weighting of responsibilities for full-time equivalent faculty members in the Faculty of Arts is 40% research, 40% teaching, and 20% service. The normal teaching load is 12 credit hours or 4 courses per year (reduced to 9 credit hours/3 courses for new faculty in the first 2 years). Clinical Psychology faculty members will normally be assigned 1.5 credit hours of teaching release per practicum supervised. Faculty members who play a lead role, usually as Principal Investigator, in a major, multi-year research project funded by SSHRC, NSERC or CIHR administered by the University of Manitoba will normally receive a release of three credit hours of teaching for each year of the grant.

**Qualifications**

Candidates should have completed a PhD or equivalent doctoral degree by the time of appointment from a CPA- or APA- accredited psychology program with an approved internship. The successful candidate will be expected to obtain registration as a Clinical Psychologist in Manitoba. Successful candidates close to completion of their doctoral degree may be appointed to a term position at the rank of Lecturer until successful completion of their degree, at which time they will begin their probationary appointment as an Assistant Professor.

Applicants are expected to have demonstrated excellence in research in any area of clinical psychology, broadly defined, with a track record of peer-reviewed publication, presentations at national and international conferences, and the potential to attract external grant funding. The successful candidate will also have demonstrated potential for excellence in teaching and clinical supervision. All areas of clinically-relevant research will be considered, however, priority will be given to applicants with a focus in child and adolescent psychology, neuropsychology, substance use, and/or mental health in marginalized populations, or other areas that diversify the existing strengths of our department. Evidence of work with diverse populations is an asset.

## **Equity, Diversity & Inclusion**

The University of Manitoba is committed to the principles of equity, diversity & inclusion and to promoting opportunities in hiring, promotion and tenure (where applicable) for systemically marginalized groups who have been excluded from full participation at the University and the larger community including Indigenous Peoples, women, racialized persons, persons with disabilities and those who identify as 2SLGBTQIA+ (Two Spirit, lesbian, gay, bisexual, trans, questioning, intersex, asexual and other diverse sexual identities). All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact [UM.Accommodation@umanitoba.ca](mailto:UM.Accommodation@umanitoba.ca) or 204-474-7195. Please note this contact information is for accommodation reasons only.

## **Additional Information**

The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Ojibwe-Cree, Dakota and Dene peoples, and on the homeland of the Red River Métis. The University of Manitoba is a driving force of innovation, discovery and advancement. UM faculty, staff and students whose determination and curiosity shape our world for the better. Our teaching, learning and work environment is uniquely strengthened and enriched by Indigenous perspectives. With two main campuses in Winnipeg, satellite campuses throughout Manitoba, and world-wide research, UM's impact is global.

The Department of Psychology is the largest academic unit in the Faculty of Arts at the University of Manitoba, with 37 faculty members, 13 support staff members, and over 100 graduate students. The Clinical program also operates the Psychological Service Centre (see link below) that serves as a training centre for students and provides free psychological services to the Winnipeg community.

The City of Winnipeg ([www.tourismwinnipeg.com](http://www.tourismwinnipeg.com)), located where the Red and Assiniboine Rivers meet, is recognized for its vibrant, multicultural community and diverse culture. The city, with a growing population of more than 766,000, is home to internationally renowned festivals, galleries and museums, the historic Exchange District and The Forks, and ever-expanding research, education, and business sectors. From the Hudson Bay waters, across the farmland fields, to the pulse of the cities and towns, The Province of Manitoba's ([www.travelmanitoba.com](http://www.travelmanitoba.com)) people and places – its 100,000 lakes, 92 provincial parks, winding river valleys and storied prairie skies – inspire.
