

## **Psychologist - Inpatient Children's Mental Health**

### **Psychology- Inpatient Children's Mental Health**

Working as part of a team of clinical psychologists on the service, the Psychologist is responsible for providing a complete range of psychological services (i.e., diagnostic, assessment, psychotherapy, consultation, program development/evaluation) to inpatients in Children's Hospital, primarily as a member of our Child and Adolescent Mental Health Unit team. In addition to direct service, the Psychologist serves in research, educational, teaching, and supervisory roles within our Children's Hospital and our Psychology Department and maintains internal and external communication links with health care professionals in other agencies dealing with psychological programs and services. The Psychologist would also be resident supervisor in the London Clinical Psychology Residency Consortium in the Child/Adolescent Track.

It is also expected that the successful candidate for the position would apply for faculty positions in the Department of Psychiatry in the Schulich School of Medicine & Dentistry at Western University, the Department of Psychology at Western University, and at the Lawson Health Research Institute.

Psychologists within LHSC demonstrate the scientist-practitioner model of service in their work as a part of one of Canada's leading academic partners to advance both care and knowledge in health care.

Supervision is available for anyone requiring supervised practice as part of their registration with the College of Psychologists of Ontario.
