

## **Psychologist - Neuropsychology, Children's Hospital**

### **Psychology- Neuropsychology, Children's Hospital**

The Psychologist is responsible for providing neuropsychological assessments to outpatients referred from Neurology, Neurosurgery, and General Metabolics in our Children's Hospital. Part of these assessments include a minimum of 1 day per week dedicated to supporting the Paediatric Epilepsy Program through pre-surgical neuropsychological assessments. The Psychologist will also have 1 day per week available to support research projects.

The Psychologist would also be resident supervisor in the London Clinical Psychology Residency Consortium in the Neuropsychology Track.

It is also expected that the successful candidate for the position would apply for faculty positions in the Department of Paediatrics in the Schulich School of Medicine & Dentistry at Western University, the Department of Psychology at Western University, and at the Lawson Health Research Institute.

Psychologists within LHSC demonstrate the scientist-practitioner model of service in their work. As part of one of Canada's leading academic health sciences centre, our psychologists work with our patients and families, our clinical teams, and our academic partners to advance both care and knowledge in health care.

## **Immunization Requirements:**

Before beginning employment at LHSC, all new hires will be required to:

- Provide vaccination records or proof of immunity against measles, mumps, rubella and varicella (chicken pox), Hepatitis B, Tetanus/ Diphtheria/Polio; Meningitis;
- Provide documentation of the Tuberculosis skin testing (two step);
- Provide proof of Health Canada-approved COVID-19 vaccination reflective of Ontario Health's current definition of being fully vaccinated
- For more information visit <https://www.lhsc.on.ca/careers/health-review-requirements>

If interested in this role, please apply with a resume that outlines all current and previous experience relevant to the position.

We are committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC is committed to employment equity and diversity in the workplace and welcomes applications from equity-denied groups including Indigenous people, racialized people, women, persons with disabilities, and 2SLGBTQIA+ persons. LHSC is also committed to ensuring an accessible and inclusive recruitment process. Upon individual request, we will endeavor to remove any barrier to the hiring process to reasonably accommodate candidates, including those with disabilities, while maintaining a fair, consistent and equitable recruitment approach. Should any applicant require accommodation through the application, interview or selection processes, please contact Recruitment Services at 519-685-8500, extension #34321 or [recruitment@lhsc.on.ca](mailto:recruitment@lhsc.on.ca).

As part of the selection process applicants may be required to complete an examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory police information check (original document) completed in the last 6 months.

Please be advised, if you are seeking employment on a temporary work or study permit we recommend reviewing work permit restrictions as it applies to healthcare organizations in Canada. As per the Government of Canada, LHSC is considered a hospital/healthcare organization, even if an employee is functioning in a non-patient facing role. Individuals on a work or study permit seeking employment in this sector may be required to complete additional steps in the process, including but not limited to a medical exam, which may also apply to employees looking to renew their work permits. It is the employee's accountability to ensure they are adhering to their specific work permit restrictions, and we encourage all candidates and LHSC employees to be proactive and review restrictions as soon as possible as it could be a lengthy process.

***\*\*Interested applicants are encouraged to submit your application to our website at <https://www.lhsc.on.ca/careers> by creating an applicant profile or you may email your resume directly to [recruitment@lhsc.on.ca](mailto:recruitment@lhsc.on.ca).***
