About Us

Newfoundland and Labrador Health Services (NLHS) brings together five former separate health entities - Eastern Health, Central Health, Western Health, Labrador-Grenfell Health, and the Newfoundland and Labrador Centre for Health Information. The creation of a provincial health authority was announced following recommendations from Health Accord NL.

NL Health Services is responsible for delivering health and community services to more than 528,000 people living in Newfoundland and Labrador and employs over 21,000 people. NLHealthServices.ca

Job Summary

NL Health Services offers psychology services to children, adolescents, adults and seniors while in hospital (inpatients), within the community (outpatients), and within long term care (residents) through a variety of programs including Mental Health and Addictions, Children's and Women's Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive Services. Psychologists with NL Health Services enjoy autonomous practice, private offices and typically work Monday to Friday 9 to 5. NL Health Services provides our psychologists with the supervision required for licensure and also provides our psychologists with the opportunity to supervise students and residents. Our Psychologists are well respected and valued.

NL Health Services encourages you to inquire about our current vacancies, competitive pay and benefits, relocation assistance, student bursaries, and other employment incentives.

Job Qualifications

For all Psychology positions, a Master's in Clinical Psychology is required, Doctorate preferred. Registration or provisional registration with the Newfoundland and Labrador Psychology Board is required. Individuals who are eligible for registration will be considered.
