About Us

Newfoundland and Labrador (NL) Health Services is responsible for delivering quality health-care to approximately 541,000 Newfoundlanders and Labradorians. The provincial health authority is supported by over 23,000 employees and physicians who together work to improve the health and well-being of every person, in every community. Guided by the vision of [Health Accord NL](#), NL Health Services offers a comprehensive range of health-care programs and services through a wide network of facilities, clinics, and community services across five zones: [Central, Eastern-Rural, Eastern-Urban, Labrador-Grenfell, and Western](#). Learn more here: NLHealthServices.ca

Job Summary

NL Health Services offers psychology services to children, adolescents, adults and seniors while in hospital (inpatients), within the community (outpatients), and within long term care (residents) through a variety of programs including Mental Health and Addictions, Child and Women's Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive services. Psychologists with NL Health Services enjoy autonomous practice, private offices and typically work Monday to Friday 9 to 5. NL Health Services provides our psychologists with the supervision required for licensure and also provides our psychologists with the opportunity to supervise students and residents. Our Psychologists are well respected and valued.

NL Health Services encourages you to inquire about our current vacancies, competitive pay and benefits, relocation assistance, student bursaries, and other employment incentives.

Job Qualifications

For all Psychology positions, a Master's in Clinical Psychology is required, Doctorate preferred. Registration or provisional registration with the Newfoundland and Labrador Psychology Board is required. Individuals who are eligible for registration will be considered.
