

University  
of Regina

50  
YEARS

Are you a passionate leader in clinical psychology looking to make a meaningful impact by directing the Psychology Training Clinic at the University of Regina? Join us as our new **Director, Psychology Training Clinic**.

The Psychology Training Clinic, located on the University of Regina campus, has a reception area, Director's office, multiple interview rooms with one-way mirrors and observation areas, a secure file room, student workspace, and state-of-the-art video and audio recording equipment. The program in Clinical Psychology at the University of Regina is committed to the scientist-practitioner model and is accredited by the Canadian Psychological Association. The Department maintains good relations with a number of health care, research, and other educational facilities both within Regina and throughout the province. This position will have the opportunity to cultivate a thriving clinic with a strong base of clientele seeking psychological services.

### What You'll Do:

#### Management of the Psychology Training Clinic

- Development of clinic protocols
- Generation of new clinic referrals from community sources
- Clinical supervision of psychology graduate students
- Participation in departmental and clinical committee activities.
- **Plus More:** Be ready to take on additional related tasks as assigned – your role is dynamic and essential to our success!

#### Further Opportunities (not required)

- Opportunity to teach graduate and undergraduate courses for additional compensation, should you so choose.
- Opportunities for research collaboration can be found within the department, should you choose to pursue these.
- Opportunity to engage in outside professional activities on your own time, as long as these do not compromise their University work and there is no conflict of interest.

### Why Join Us?

At the University of Regina, we're more than just a campus – we're a community!  
Join our team and enjoy:

- **Meaningful Impact:** Your work directly contributes to creating a better environment for students, faculty, and staff.
- **Professional Growth:** We support your development, offering opportunities for advancement and learning.
- **Work-Life Balance:** We value your well-being and know your personal life is most important!
- **Dynamic and Inclusive Workplace:** We value diversity and inclusivity. You'll be part of a team that celebrates different perspectives, backgrounds, and experiences, making every day an opportunity for personal growth.
- **Innovation Culture:** We encourage fresh ideas and innovative thinking.
- **Competitive Compensation:** We offer competitive compensation package and benefits to reward your talent. A few of the these benefits include Health/Dental/Vision Benefits, flexible spending account, Defined Contribution Pension Plan, and much more!
